19th World Meeting
of 2 CV friends
26 – 31 July 2011 SALBRIS (France)
www.2cvfrance2011.fr

Newsletter #3 : April-May 2011

On May 1st 2011, over 4,500 pre-registrations had been received. Because of the high number of preregistrations (we sincerely thank those of you who have pre-registered), we have done our best to enter them in the database and send back registration receipts. We hope that all our 2 CV friends have now received their receipts.

Remember that you can still pre-register until May 31st.

Why pre-register ?

We have to remind you that **pre-registrations are essential** for the organizing team..

They enable us to anticipate the number of participants so that we can properly size the various facilities (registration, toilets...) for everybody's comfort. Those of you who will have pre-registered will be allowed to enter the site

as soon as Tuesday July 26th at 10.00 am, while the other participants will have to wait till 5.00 pm. For

obvious organization reasons, the organizing team will not be able to book camping spots in advance. You can

pre-register until May 31st 2011 on www.2cvfrance2011.fr.

With a higher participation than initially expected (thanks to the pre-registrations for allowing us to take this increase into account), we have managed to secure more camping fields next to the meeting site, thanks to the city of Salbris, which bring the total area to 80 hectares, of which 60 hectares will be for camping only.

If you have specific medical needs

We advise people with specific medical needs or disabilities to contact the organizing team should they need

any particular arrangements : contact@2cvfrance2011.fr
